About

THE **GOSPELACTIVIST** PODCAST

The purpose of the podcast is to equip the church to share the gospel with friends, family, neighbours and the stranger on the street. The by-line for the program is to preach the gospel to any person... anywhere... anytime... no matter the cost.

Theme Verse:

"How then will they call on him in whom they have not believed? And how are they to believe in Him of whom they have never heard? And how are they to hear without someone preaching? And how are they to preach unless they are sent? As it is written, "How beautiful are the feet of those who preach the good news!" (Rom 10:14-15, ESV).

What sets this podcast apart is that it is focused on equipping the church for evangelism and apologetics. It also seeks to bring the gospel to bear on contemporary issues within and outside the church.
